About the Institute:

IMS Ghaziabad was founded in 1990 by a group of visionaries and intellectuals to impart quality education to young minds. The legacy of IMS Ghaziabad lies in its tradition of stimulating an innovative environment where students are empowered with knowledge, values, and professional skills to uphold integrity, tolerance, and mutual respect. Over the past 33 years, IMS Ghaziabad has attained an inimitable stature in India by promoting diversified professional skills and research education in the prevailing areas of Management Studies, International Business, Information Technology, Biosciences, Engineering, and Journalism.

IMS Ghaziabad (University Courses Campus) offers undergraduate and postgraduate programmes affiliated with CCS University, Meerut. Courses of study are MIB, M.Sc. Biotechnology, BBA, BCA, BAJMC, B.Sc. (Hons.) Biotechnology, and B.Sc. (Hons.) Microbiology. It has consistently produced University toppers, which speaks volumes about the quality of education imparted by its erudite faculty. The institute is ISO 9001:2015 certified and NAAC 'A' accredited. The institute has recently been awarded Status of 12 (B) by UGC for excelling work in the field of research, has been ranked amongst the Top B-Schools in India, and has been bestowed with a number of awards in various categories by the Times B-School Survey, CEGR, GHRDC, GESA, CIAC Global, ICCI, ASSOCHAM, CSR, Asia Pacific Education and Technology Awards, and many more.

The FDP aims to impart motivation and nurture faculty members, develop professional competence in the area of outcome based education system. This would help in developing learning driven student engagement tools also covered under the NEP 2020 guidelines. The course content of the FDP aims to amalgamate the foundations of OBE with NEP 2020 in developing the faculty members leading to process driven implementation.

About the FDP

Outcome Based Education and its linkage to teaching-learning outcome have become pertinent in higher education institutes and their growth. All Accreditation bodies require institutes and universities to understand the effective implementation of OBE and its collaboration with the guidelines under NEP 2020. To learn and imbibe the tools and techniques of OBE has become an important area of faculty development as academic administration is a key responsibility undertaken by faculty members across all HEIs. The main aim of the FDP is to undertake fruitful discussions about the processes to be adopted, techniques to be incorporated into the teaching system thus creating unique opportunity for innovative assessment and student engagement.

Objectives of The FDP

- To create awareness among faculty members about Outcome Based Education System and institutionalizing of NEP research based guidelines
- To help understand the philosophy and implementation of OBE in teaching-learning system and assessment of students
- To use various innovative teaching learning methods to improve student engagement and learning outcomes
