

Paper Submission Guidelines:

- A concise and informative title that reflects the research topic
- Paper should be typed in A-4 format with 1.5 spacing left aligned, with one-and-a-half-page margin and typed in 12-point font (Times New Roman) in MS-Word (PDF would not be accepted) with word limit 250-300 words maximum.
- Presenting Author's name should be bold.
- All accepted abstracts **MUST** be presented in the conference (oral presentation/poster presentation) by at least one of the authors in order to receive the certificate.
- The research presented should be original and not previously published or submitted elsewhere.
- The research should align with the conference's theme and scope.
- Keep the page margins the same as is set here which is 2.5 cm all round.
- Paragraphs should be justified (straight-edged) on both left and right.
- Include 5-7 relevant keywords to help with indexing and searching.
